

# Iron County Farmers Market Policy

## Market Policies

The Board of Directors reserves the right to make policy changes during the season, as needed to comply with changes in local, state, or federal food laws. Changes will be posted on Facebook and our website. Paper copies may be requested of the managers.

## Mission Statement

The Iron County Farmers Market is dedicated to being a local outlet for area growers and artisans to provide locally grown and handmade products while concurrently providing an educational forum for customers to learn the uses and benefits of buying locally produced products that will enhance their quality of life; and is also dedicated to fostering social activities in our local communities.

## Location

Iron County Farmers Market is located just north of Hurley on Business Hwy 51 at 13420 N 10th Avenue in the Market Pavilion, located across from Wisconsin Tourist Information Center in Hurley, Wisconsin. Our mailing address is: P.O. Box 183, Hurley, WI 54534.

## Market Organization

The Iron County Farmers Market Corporation, Inc. is responsible for the operation of the Market according to the By-Laws of said Corporation. The policies for the operation of the Market are designed to meet state and local regulations for direct market sales and to insure the highest quality of locally grown produce.

**Vendors:** The Market is open to any person or non-profit organization who applies, is accepted by the Market Board of Directors, and pays the required space rental fees or who volunteers at the market/events. All potential vendors must complete a Vendor Application prior to participating in the market. In most cases, this can be done on your first day at the market. Applications are also available on our website. ICFM reserves the right to refuse access to Vendors or Volunteers at the market.

**Market Managers:** The Market Manager oversees the routine operation of the Market on a day to day basis, and has the authority of the Board of Directors to enforce Market Policies. If the Market Manager is unavailable to be at the Market, another Board of Director may serve as Acting Market Manager as needed. See full description of the Market Managers position on the last page, along with names and contact information.

**Non-Profit:** The Iron County Farmers Market Corporation, Inc. is a non-profit organization registered with the State of Wisconsin. The space rental fees are charged to help pay for operating expenses, advertising, events, facility maintenance, and improvements. The Board of Directors and Managers are volunteers.

## Season & Hours

The market is open the last Saturday in June through the mid October. Hours are Wednesdays 3 to 6pm and Saturdays 10am to 1pm; and will be advertised as such. Vendors are encouraged to plan their inventory to be able to provide their goods until the set closing time if at all possible. Vendors who have early or late season items to provide (before or after the regular market season) should contact a Board Director to check into the possibility of opening the Market at those times.

## Membership

Voting Membership in the Market (at the General Membership Meetings) is open to any person or non-profit organization that has participated in Market activities at least two times and/or paid space rental fees. These fees shall be set by the Board of Directors and approved by the majority of the membership at a General Membership Meeting, according to the By-Laws. Anyone who has been

previously removed by the Board of Directors from membership of the Iron County Farmers Market shall no longer be eligible to become a member.

The Secretary and Managers shall keep a complete list of names, addresses, phone numbers, and social media of all members as provided on their annual Vendor Application. Members are responsible for notifying the Secretary of any changes in address and phone numbers, to be used for the purpose of contact/meeting notices.

### **Stall Space Rental**

The Annual Space Rental Fee is \$ 25.00 per space. Each space contains a wooden 8 foot table (while supplies last). Preference of space choice will be given to previous year's membership. Any non-reserved spaces are considered to be transient, and will be assigned by the Market Manager on a first come basis. The daily fee for transient spaces is \$5.00 per day, per space. Any reserved spaces not filled by the pre-paid vendors will also be considered transient spaces for that day. Once all spaces are rented, additional vendors will need to provide their own tables, at the same cost; and may be assigned a space down the center or outside of the pavilion where available.

\*All vendors are asked to text, use messenger, or call the Market Manager of the day (names & phone numbers listed below) whether you ARE or ARE NOT coming to sell, so that another vendor may be assigned to your space, as necessary. Or you may also set up a schedule before hand with the managers.
